South Asia

July

Visited five locations in the north, east, west and south of this region to:

- Consult with five leaders of leaders who are leading efforts in the areas of evangelism, discipleship, church planting, and a wide range of ministries.
- Provide training to pastors and ministry leaders in these areas.
- Oversee current projects in the areas of education and technology
- Plan future projects to equip ministry leaders and their local organizations.

EduTech MISSION

The year '2019' is displayed in a large, multi-colored font where each digit has a different color gradient. The '2' is red, the first '0' is orange, the '1' is yellow, and the '9' is purple. The numbers are set against a light grey rectangular background.

August

Orality Workshops

Focused on Hispanics in North America, the workshops were held in the city of Miami and Orlando, Florida. The assistance was multigenerational (young people, adults, elders, and children attended). A second phase of training was carried out in during September.

The logo for EduTech MISSION features the word 'EduTech' in a bold, orange sans-serif font, with a red cross-like symbol above the 't'. To its right, the word 'MISSION' is written in a smaller, grey, all-caps sans-serif font. A thin, curved orange line is positioned below the 'EduTech' text.

October

Leadership Workshop

Our workshops are designed to be local, personal interactive training experiences to get Christians together with other Christians within their own community to learn about a specific topic in greater detail and prepare them to ACT UPON what they've learned and make a difference within their community!

The logo for EduTech MISSION features the word 'EduTech' in a bold, orange sans-serif font, with a white cross symbol integrated into the letter 't'. To the right of 'EduTech', the word 'MISSION' is written in a smaller, grey, all-caps sans-serif font. A thin, curved orange line arches under the 'EduTech' text.
